Potential Power Outage – BCMMB Office – March 29, 2019

BC Hydro has informed us that they will be replacing a power pole in the neighbourhood which will create a “temporary” power outage for our office on Friday March 29th between 8am and 4pm. BC Hydro was unable to provide any further details and we need to be prepared for the power to be out all day.

During a power outage, most employees will not have access to phones or email and the office doors automatically lock to outside visitors. Therefore, please do not plan on visiting or calling the office on Friday. The managers at BC Milk have access to phone and email on their mobile devices so if you have an emergency you can contact any of them on Friday. Their contact information can be found on our website www.bcmilk.com.

If you have any questions or concerns, please contact Robert Delage at rdelage@bcmilk.com or 604-854-4475.
