

Permit application procedures for:
Distributors of cream (32%b.f.>)

Dairy ingredient distributors wishing to apply for a Class 1b(ii) Distributors Permit for cream of a minimum fat content of 32% must consult the **1b(ii) Information Guide** before filling out Section A and B of this form. A Class 1b(ii) Distributors Permit cannot be issued unless the information in Sections A and B is submitted to the Canadian dairy commission for review and approval. Distributors applying to the CDC for the first time must supply copies of the registered company's letters of incorporation.

Registered 1b(ii) Distributors seeking to add a new client to their existing Permit, are not required to fill out Section A.

Section A:

This Section pertains to the basic information required about the company applying for a Class 1b(ii) Distributor's Permit for cream.
